ABOUT IEEE COMMUNICATIONS SOCIETY

IEEE Communications Society is a leading technical and professional community with over 50,000 members worldwide. Founded in 1952, the Society evolved into a diverse group of global industry professionals with a common interest in advancing all Communications technologies. IEEE GLOBECOM has earned an international reputation. ComSoc members stay on top of the world of communications technology by accessing up-to-the-minute technical information, networking with other experts in the field, and leveraging exclusive benefits.

IEEE GLOBECOM 2012
 DECEMBER 3-7
 DISNEYLAND HOTEL
 ANAHEIM, CALIFORNIA USA

The IEEE Global Communications Conference (GLOBECOM) covers the entire range of communications technologies offering in-depth information on the latest developments in voice, data, image and multimedia.

TECHNICAL SYMPOSIA

focus on technological trends in recent communication research and development from academia to the industrial laboratories throughout the world.

EXHIBITIONS

showcase the latest technologies, applications and services.

BUSINESS FORUMS

feature high-level executives addressing challenging opportunities, the current hot issues as well as the future of the communications industry.

TUTORIALS and WORKSHOPS

address emerging technical and business issues in communications technologies.

Why be a patron?

Your company name, logo, products and communications services will be exposed to industry leaders, influential design and development researchers and decision maker engineers who are, year after year, attracted to the conference by its strong technical program. The program includes technical symposia on cutting edge communications research and technological trends development, tutorials and workshops on emerging technical and business sessions on current issues in communications technology.

Your company leaders can participate in the IEEE GLOBECOM 2012 keynote speakers program to address and share visions that will significantly impact the future of the world's telecommunications industry.

You'll have the opportunity to provide leaders and participants to some of the many business forums, panels and sessions which will be held during the conference. Those will feature high level executives and leaders addressing hot topics such as new opportunities in the industry, government regulations and developing trends impacting you and your customers.

Your patronage will validate the leadership of your organization in the communications industry.

COMMUNICATIONS INDUSTRY PROFESSIONALS FROM OVER 50 COUNTRIES ARE COMING TO ANAHEIM, CALIFORNIA, USA FOR IEEE GLOBECOM 2012.
